Sauna Wedel Towel "Magic Towel" by Robert Heinevetter

The professional wedel towel for your sauna

By far the lightest and most stable wedel towel on the market. Due to its low weight, it relieves the entire support and movement apparatus. You achieve very strong air movements and best results with it.

The high density and stability give the towel very good flying properties. Thus, the Magic Towel is suitable for sauna novices as well as for the professional sauna master.

Fixed price in consultation with Robert Heinevetter.

Made in Switzerland.

100% cotton, 370 g/m² • washable at 60 °C, suitable f. tumble dryer

Professional wedel flags by FINNSA

simple, functional and well thought-out

The wedel flags developed by FINNSA bring high air movements and fun into the sauna.

Each set includes 2 wooden rods with a total of 2 fastening rings for the flag towel. The fastening rings are quickly exchanged with the enclosed Allen key and, thus, the flag towel quickly changed. This allows you to replace the flagpoles individually.

For the flag towels we use only the highest quality from the company Jokipiin in Finland. The high linen content in combination with cotton guarantees a robust flag towel.
