Aqua Peeling Sugar

by FINNSA

FINNSA Aqua Peeling Sugar in 5 different scents

A small amount of our exfoliating sugar is sufficient for application before or during the sauna, in the shower or during a soothing bath. Your skin will become soft and tender through the application.

Rub a little sugar onto wet or sweaty skin. The sugar melts, the skin care substances penetrate the skin and dead skin cells are gently removed.

Gentle Aqua Peeling Salt

Dosing spoon on page 45.

FINNSA Aqua Peeling Salt in 5 different scents

Our Aqua Peeling Salts are specially developed for use on wet skin, e.g. during showers, saunas or in the hammam.

We use natural primal sea salt as the basis. High-quality minerals contained there nourish the skin. The salt promotes your blood circulation, makes it silky soft and radiant and opens the pores for the precious oils. These strengthen the skin's natural protective function and make it smooth and supple.

Sauna Massage Salt in nature and the scents ice cold & prickly pear

These high-quality massage salts are made from pure sea salt. Dead skin cells are gently removed. The skin becomes pore-deep clean, well supplied with blood, supple and soft.

Before, during or after the sauna, but also in the shower, rub a small amount of salt vigorously onto wet or sweaty skin. The salt melts and the skin can absorb important minerals and trace elements. Wash the rest off well with water.

Please store in a cool and dark place. Not suitable for consumption. Do not use on open skin wounds!

Our best Honey

Vitalis Sauna Honey Creams with a gentle peeling effect

Thanks to their composition, these sauna honey creams have unique skin-soothing, irritation-relieving and skin-relaxing properties. They intensively moisturise the skin while taking a sauna. Finely ground wild apricot kernels ensure the gentle peeling effect, while propolis and beeswax form a fine protective film on the skin.

- pure summer blossom honey from organically managed apiaries
- no preservatives
- with beeswax and propolis from organic beekeeping

Recommendation for use: Massage into wet skin in the warmth of the sauna or steam bath and allow to absorb. Rinse off afterwards.
